About Me

An introduction about myself!

ABOUT ME

My name is Srinika Uggam. I am twelve years old and in 6th grade. Im studying in gems united Indian school, abudhabi.

INTERNSHIP JOURNEY

My internship journey has been amazing so far. It helped me improve my coding skills. And while doing this project I have learned a lot of new things which I never would've known if I weren't in this internship.
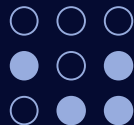

About my app

My project is a virtual assistant and her name is Ananta. It is very user-friendly and can be used by people of any agess

How to use

You can just click the speak button and give the voice assistant a command.

If you don't know what to ask it. You can just click the about button and see what it can do

Options

My virtual assistant has the following options

- SPEAK
- CLOSE
- ABOUT

Speak
Close
About

- When u click the speak button the program will start to run and you can give the voice assistant any command
- And if u don't know what command to give as the options are quite limited you can click the about button
- And u can click close to close the window

Contact Me!
